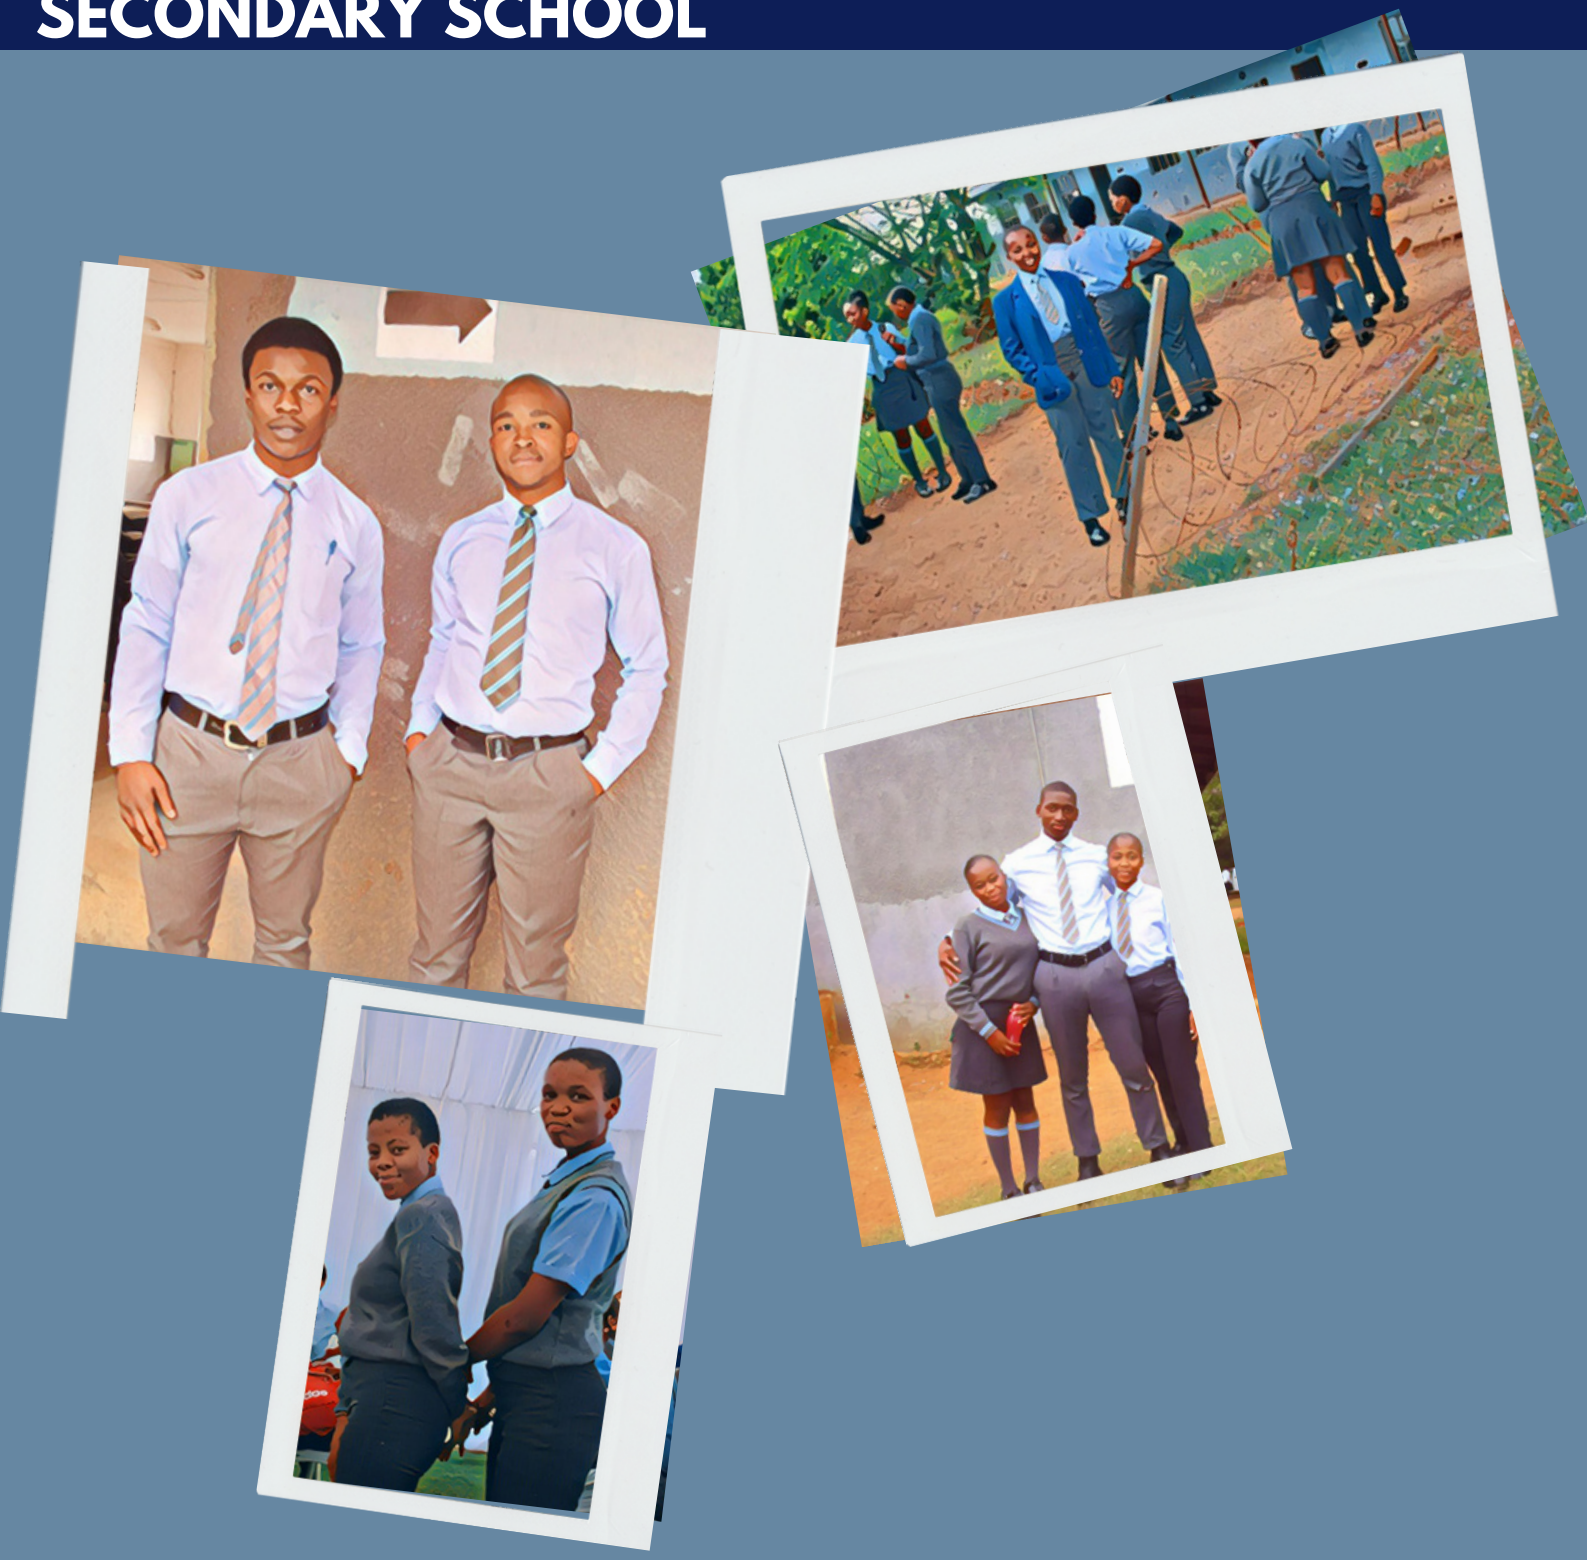
HOYE SECONDARY SCHOOL



MESSAGE

FROM THE SCHOOL PRINCIPAL

I am exceptionally proud of the Hoye Secondary School Class of 2022 as well as the staff who were with you every step pf the way in achieving the best results.

We, the management, staff and SGB have been teaching, guiding and motivating you throughout the year to become the best you can be. I strongly believe that the education you received from Hoye Secondary School will help you throughout your journey of life.

I would also like to remind you and stress the importance of teamwork as you are about to face the real world after matric, the importance of choosing the right people to team up with, enjoying what you do and having fun along the way. most importantly treating failure as an opportunity.

I hope your experience at Hoye Sec. will provide an everlasting education that sparks future interests.

I proudly affirm that the Hoye Sec. School community of dedicated teachers, responsible parents and ambitious learners are integral partners in driving its success.

Here's a quote I've always loved :
" People go farther than they thought they could when someone else thinks they can"
John C. Maxwell.

Go make us happy. It takes just a little to make us glad.

May God bless you all.

Mrs. R.Z. Mvelase

MESSAGE

FROM THE SCHOOL HEAD GIRL

Here comes the saddest part ever where we have to bid farewell, where we have to go about our different ways.

Class of 2022, my first memory of you was fear, but never thought you would become so dear to me. Now that our time to step out into to the big world draws near, I am overwhelmed with fear once more.

Our school gave us precious memories that are truly priceless. It was just yesterday when we walked into these school premises, and now we have created some of the best memories of our lives. We will miss those little moments of fun where we laughed and shared jokes. Who can forget the highly anticipated recces bell? We would rush out the class to eat, share and make more memories. Not forgetting the final bell signaling an exciting end of the day. Now all of that we leave behind and look forward to a brighter future.

There is a whole new chapter of life awaiting us. The future is not something we should look at with fear instead look at it as a challenge we should embrace.

Did you think that I would end this without acknowledging the teachers? Well that is simply impossible. Dear teachers, what we are today is because of you. The knowledge that you imparted in us is one of the most valuable things in our lives. This knowledge that you gave us will be our weapon for the life ahead. Respected teacher, you occupy a very high stature in the life of every student and for that we are grateful.

Thank you!

Sibahle Makhowane

MESSAGE

FROM THE SCHOOL HEAD BOY

I have been given the opportunity to be the headboy of the school and it was an opportunity I could not pass, it gave me a chance to knoww you better.

The past 11 months have been a dream. You all taught me how to be patient and that anything is possible with a lot of hard work. You all helped me truly enjoy coming to school everyday. Thank you all for memories we shared together and the fun times that we had. You have been my family and I hope you continue to work hard.

This is to convey by goodbye to you. I hope we will meet again in the future. Take care, I wish you all the best for your future endeavors.

Stay hungry, stay foolish. I have always wished that for myself. As we are going to be starting a new chapter in life always remember to stay hungry and foolish.
